Dear Sir:

Applicants comment herein on the identity of the claims that were indicated as allowed in the Notice of Allowance dated April 19, 2004. Applicants note that claims 1, 2, and 7-13 were pending in the application at the time the Response to Final Action was filed on April 9, 2004. See Action mailed April 2, 2004 (indicating that claims 1, 2, and 7-13 are pending). However, the Notice of Allowance indicates that only claims 1 and 7-13 are allowed. There is no indication as to the formal status of the claim 2. Applicants believe that claim 2 is also allowable in view of the Examiner's allowance of claims 1 and 7-13 and believe that claim 2 was inadvertently omitted from the Notice of Allowance. Applicants request that claim 2 is properly allowed with the other claims of the instant application.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 432722002601. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: May 7, 2004

Respectfully submitted,

By
